Advances in the Structured Assessment of Protective Factors Against Sexual Offending (SAPROF-SO): Current Research and Practice Considerations

Presenters: Gwenda M. Willis, PhD, PGDipClinPsyc, David Thornton PhD, Sharon Kelley, PsyD
Date: November 11, 2026
Time: 1:00 PM to 3:00 PM EST (All times East Coast USA Local Time)

1:00 – 3:00 pm

- Introduction and overview
  - Defining protective factors
  - The SAPROF-SO
- Research updates
  - Factor analysis of pilot items
  - Predictive validity, five-year recidivism, and success on supervised release
  - Summary of research findings
  - Ongoing research
- Practice updates
  - Mapping risk and protective factors
  - Case examples
  - Practitioner survey
    - 2026 survey
    - Routine use of tools measuring protective factors
    - Discussion points
  - Practitioner's workbook
  - SAPROF-SO & Static-99R calculator
  - Determining risk probabilities
  - Recommendations for practice
- Developing a risk management framework for the SAPROF-SO
  - SAPROF-SO – Version 1: Coding Sheet and Risk Management Framework
  - Side one and side two components
  - Case example
- Q&A and wrap-up
